Caregivers,

The 2015 St. Charles Gives annual caregiver campaign is officially open! Each year, the campaign raises funds to support important initiatives within our hospitals and throughout our communities.

Through St. Charles Gives we can make a difference for our patients, our friends, our neighbors and our families. Please consider making a donation today.

Important things to know

St. Charles Gives consists of four nonprofit organizations working together with St. Charles caregivers toward one goal, to maintain a healthy, vital community. During this fundraising effort, all caregivers have the opportunity to make a donation to support the St. Charles Foundation, the United Way of Deschutes County, Crook County United Fund and Jefferson County United Fund.

It's easy to donate:

- Make a secure, online payroll deduction gift online by using the United Way welcome email or contact Gwenn Levine at the United Way of Deschutes County, gwenn@deschutesunitedway.org, to resend the email with your customized donation link.
- We encourage that donations be made electronically if possible.
- If you prefer a manual process, printed pledge forms and return envelopes will be provided to you by United Way and Foundation representatives during the ice cream socials. The pledge form is also posted on CaregiverNet. Please send the form along with your check, using the return envelope provided, to Cindy Fields at St. Charles Foundation.
- The campaign will run October 1-15.

If you have any questions, please contact Jeff Cool at jrcool@stcharleshealthcare.org.
